- Woods

True or false?

1. Ticks can be found in parks and gardens in the UK.
2. Ticks can fly.
3. All ticks carry the bacteria that can make you sick.
4. If you are bitten by a tick, it is important to remove the tick correctly and as soon as possible.
5. Ticks like to hide in warm places like behind your ears, under your arms and behind your knees.

Word Wheel

The goal of a Word Wheel puzzle is to create as many words as possible with the letters in the Word Wheel. You can use each letter once and every word must have the letter in the centre of the wheel.

Can you find the 9 letter word?

Dot to Dot

Colour this in!

Crossword

Down:

1. Name the town where Lyme disease was first diagnosed.
3. Something you can use to remove a tick.
5. Where you should walk when in wooded, grassy areas.
6. What you can tuck your trousers into to prevent tick bites.

Across:
